

We wish to express our heartfelt gratitude to:

Our many faithful supporters for the last 15 years.

A special thanks to those who have been contributing to our Community Center building project that you can see at:

Milestones: 777

1. On July 7, 2026 (Tuesday – PrayFasting day, in the 7th month) we were informed that a certain place is available to build the HopeSide Community Center in Silver Spring, MD 20902. The land we found is about 7 acres. This also happened after we promoted the observance of the Sabbath as a special day of religious liberty on July 4th, 2026 which coincided with the 250th Independence of America.
2. We have been wishing and praying for this to happen for 7 years since we lost our lease because we are Adventists or Sabbath keepers in August of 2019. The idea of the triple building is based on our logo which is the triple cross which means hope for all. This idea came one month after we lost the lease.
3. We have also found a willing investor group to fund this mega million HopeSide Center in the first week of September of 2026 which is less than two months after we found the place. We also have three church plants: Two in Pakistan and one in Kenya.
